

# INTERNET SAFETY

**NEVER** USE THE INTERNET WITHOUT A PARENT OR GUARDIAN PRESENT

When online, **ALWAYS**...

- set up rules for going online and using mobile phones
- tell a parent or a guardian if you receive or see something that makes you uncomfortable
- get permission from a parent or a guardian to post and receive pictures
- get permission from a parent or a guardian before downloading or installing software

When online, **NEVER**...

- give out personal information
- give out password information
- agree to get together with someone you met online
- respond to messages that are mean or make you feel uncomfortable
- do anything that is against the law
